Mr. W. T. Markham, Supervisor,  
Occupational Information and Guidance,  
Topeka, Kansas.

Dear Friend W. T.:

It was good to receive your kind favor of the 18th instant and I am following your command to the letter. You know that Rotarians are supposed to do things pronto when they are called upon and I am following your direction. You tell me when and where you want me and I will be there.

In reply to your communication about me whispering to you the honorarium I desire, I want to say this leaves me breathless. You whisper back to me what you think a no-good is worth, and I know whatever you do that I will be doubly overpaid.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
