Dear Dr. Allen

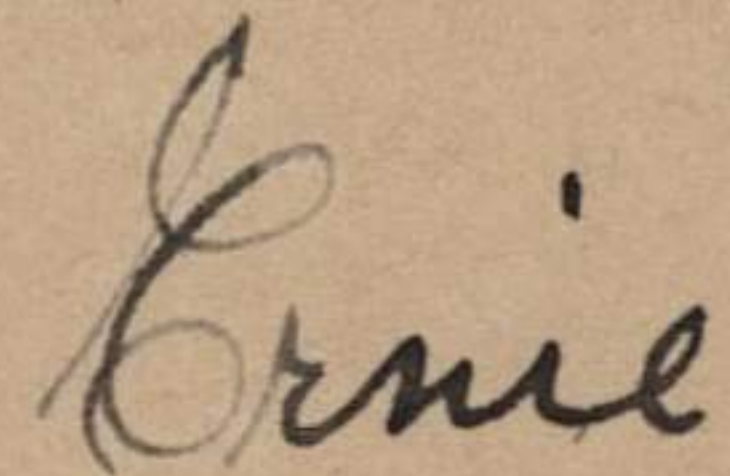

This letter, like the coming Chamber of Commerce membership campaign, is short and to the point.

The afore-mentioned campaign for '46 will be a two-team, two-day affair with the kickoff coffee and doughnut session scheduled for Monday morning, March 11th, 10:00 o'clock in the Chamber of Commerce rooms.

I have accepted the Captaincy of one of the membership teams, and in turn am asking you to work on my team. This year's prospect list is a good one, and you will not be asked to call on more than three or four prospects.

Will see you Monday morning, March 11th, in the Chamber rooms. Remember the time, 10:00 a.m.

Sincerely yours,

Ernest Pontius
