Mr. Paul A. Parrish,  
Admire Rural High School,  
Admire, Kansas.

Dear Coach Parrish:

I am sending you the diagrams of the backboard and the shooting lanes. These are ideas that you may elaborate upon in any way that appeals to you.

"Good field - no hit", was the report made by the Cuban, Gonzales, the scout for the Cards. He is a great scout and a great card.

I assure you that I too enjoyed being with the school. And as for "Little Bill" Miller, - well, he is still "Little Bill" to me. But I still maintain I have no personal differences with him.

With all good wishes, I am

Sincerely yours,
