Dr. F. C. Allen  
Director of Physical Education  
University of Kansas

Dear Dr. Allen:

Our schedule for University High School is now complete unless some school should be forced to request a change. The dates which we need Robinson Gymnasium for are January 5, January 30, February 9, February 13, and February 24. We are playing four games in the Municipal Auditorium on afternoons which conflict with varsity basketball practice.

Very sincerely yours,

Gerald Pearson  
Principal
