Mr. Ray S. Pierson,
Peoples National Bank Bldg.,
Burlington, Kansas.

Dear Ray:

After I returned from your very wonderful banquet at Burlington last night I called Edwin Browne, our University publicity chairman, to find out what happened to the mats. He is checking on that with his secretary and is to call me back. I have asked that he write you so that you would know that I carried through my part of the detail arrangements.

The publicity chairman of the University has all the information and it goes out from that center. We make a request of him for sending out the mats, and the liaison apparently broke down over there. But I did want you to know that we had followed through.

It was great to meet the many friends at Burlington and also to meet the fine athletes of your town. It was a very enjoyable evening.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
