Dear Doc,

I find I haven't written to you for some time. Possibly it's due to the fact that we have been occupied most fully most of this time. We haven't been loafing any way. I have been in all the countries bordering Germany lately & now am in "der Fuhrers back yard." Before too many months have passed I hope we are in the front yard with the Russians and then we can all concentrate on the Japs. I got your last Reprints a month ago and sincerely enjoyed it.

Have been following with great interest the gambling incident of Brooklyn College. You really hit the nail on the head several months ago Doc. I figured you knew what you were talking about. You got quite a write up in the Stars & Stripes and are still getting, by the way. We are still in their driving Doc so keep open a place for us, we won't be gone too much longer.

as ever
John
