Dear Johnny:

Accept my thanks a million times for this wonderful memento of the squareheads' capitulation. It was mighty nice of you to think of me, and I assure you this sword will always adorn one of the prize spots in my household and it will be because you captured it and sent it to me.

We are longing for the time when you will be back with us and we can put in words the things we cannot now say.

Again, with appreciation and sincerest regards, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
