Dear Doc:

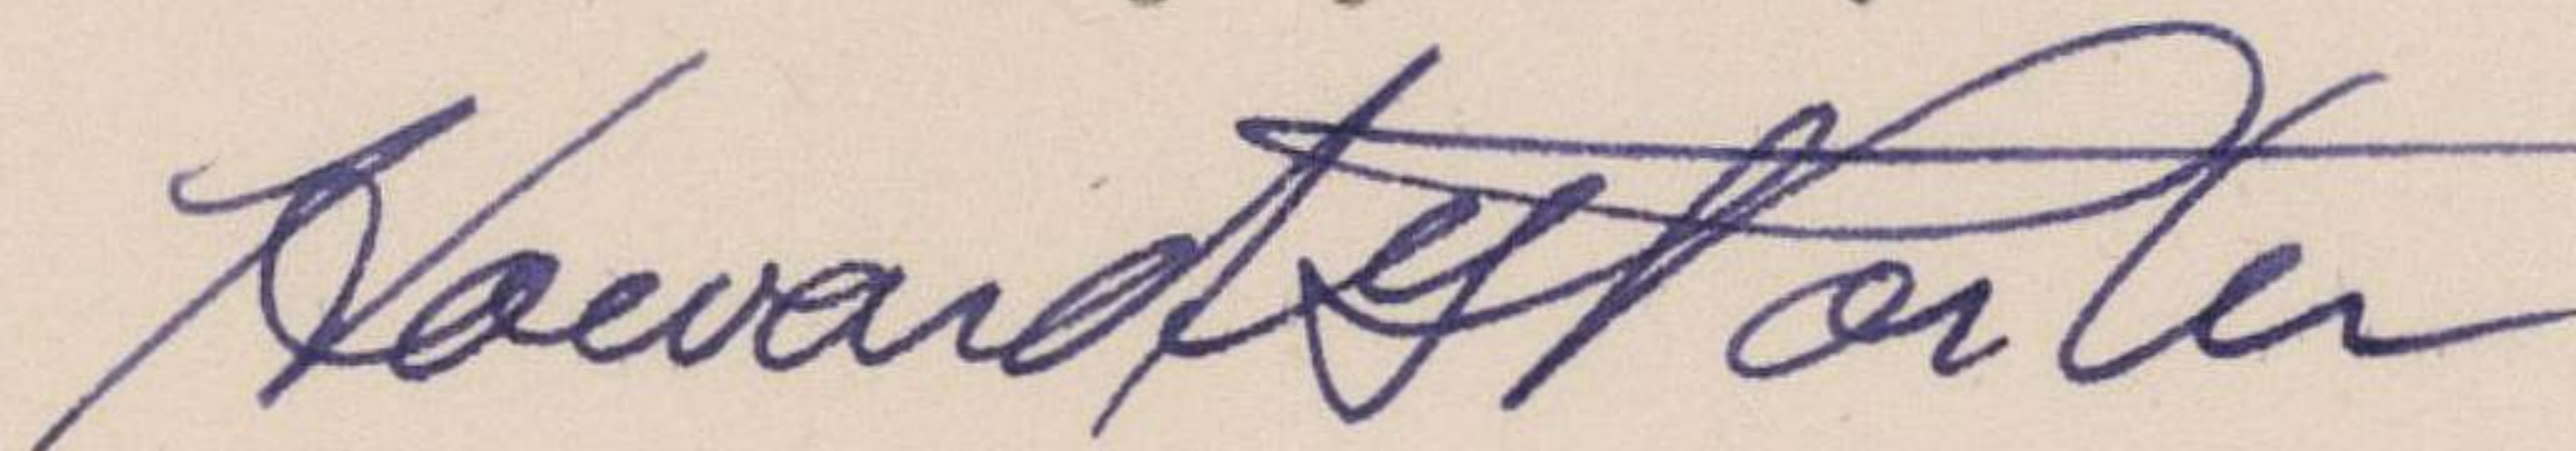

Thank you very much for the fine letter you wrote to Mr. Cobb.

After reading the copy, I am convinced that you should get a stock of buggy whips and head for Detroit. If that doesn't get the job done, I don't know what it will take.

This has been a very nice setup at Wichita and they offered me a \$200 raise, but I still think I can show these guys that the Allen system will work in high school as well as in college.

I am deeply grateful for your prompt response to my call for help.

Sincerely yours,

Howard G. Porter
