Re: Your order POV No. 967

Gentlemen:

The first item on this purchase order we believe is supposed to call for two #74 Parallel Bars with height adjustment instead of "2 #74 Springboards, inclined, 6', height and width adjustment". Will you please confirm.

Please find enclosed two copies of the certification which we ask that you sign and return (both copies) to us for our files. This certification is necessary in order that we obtain allotments for critical materials from the War Production Board.

Very truly yours,

J. E. PORTER CORPORATION
