Dear Dr. Allen:

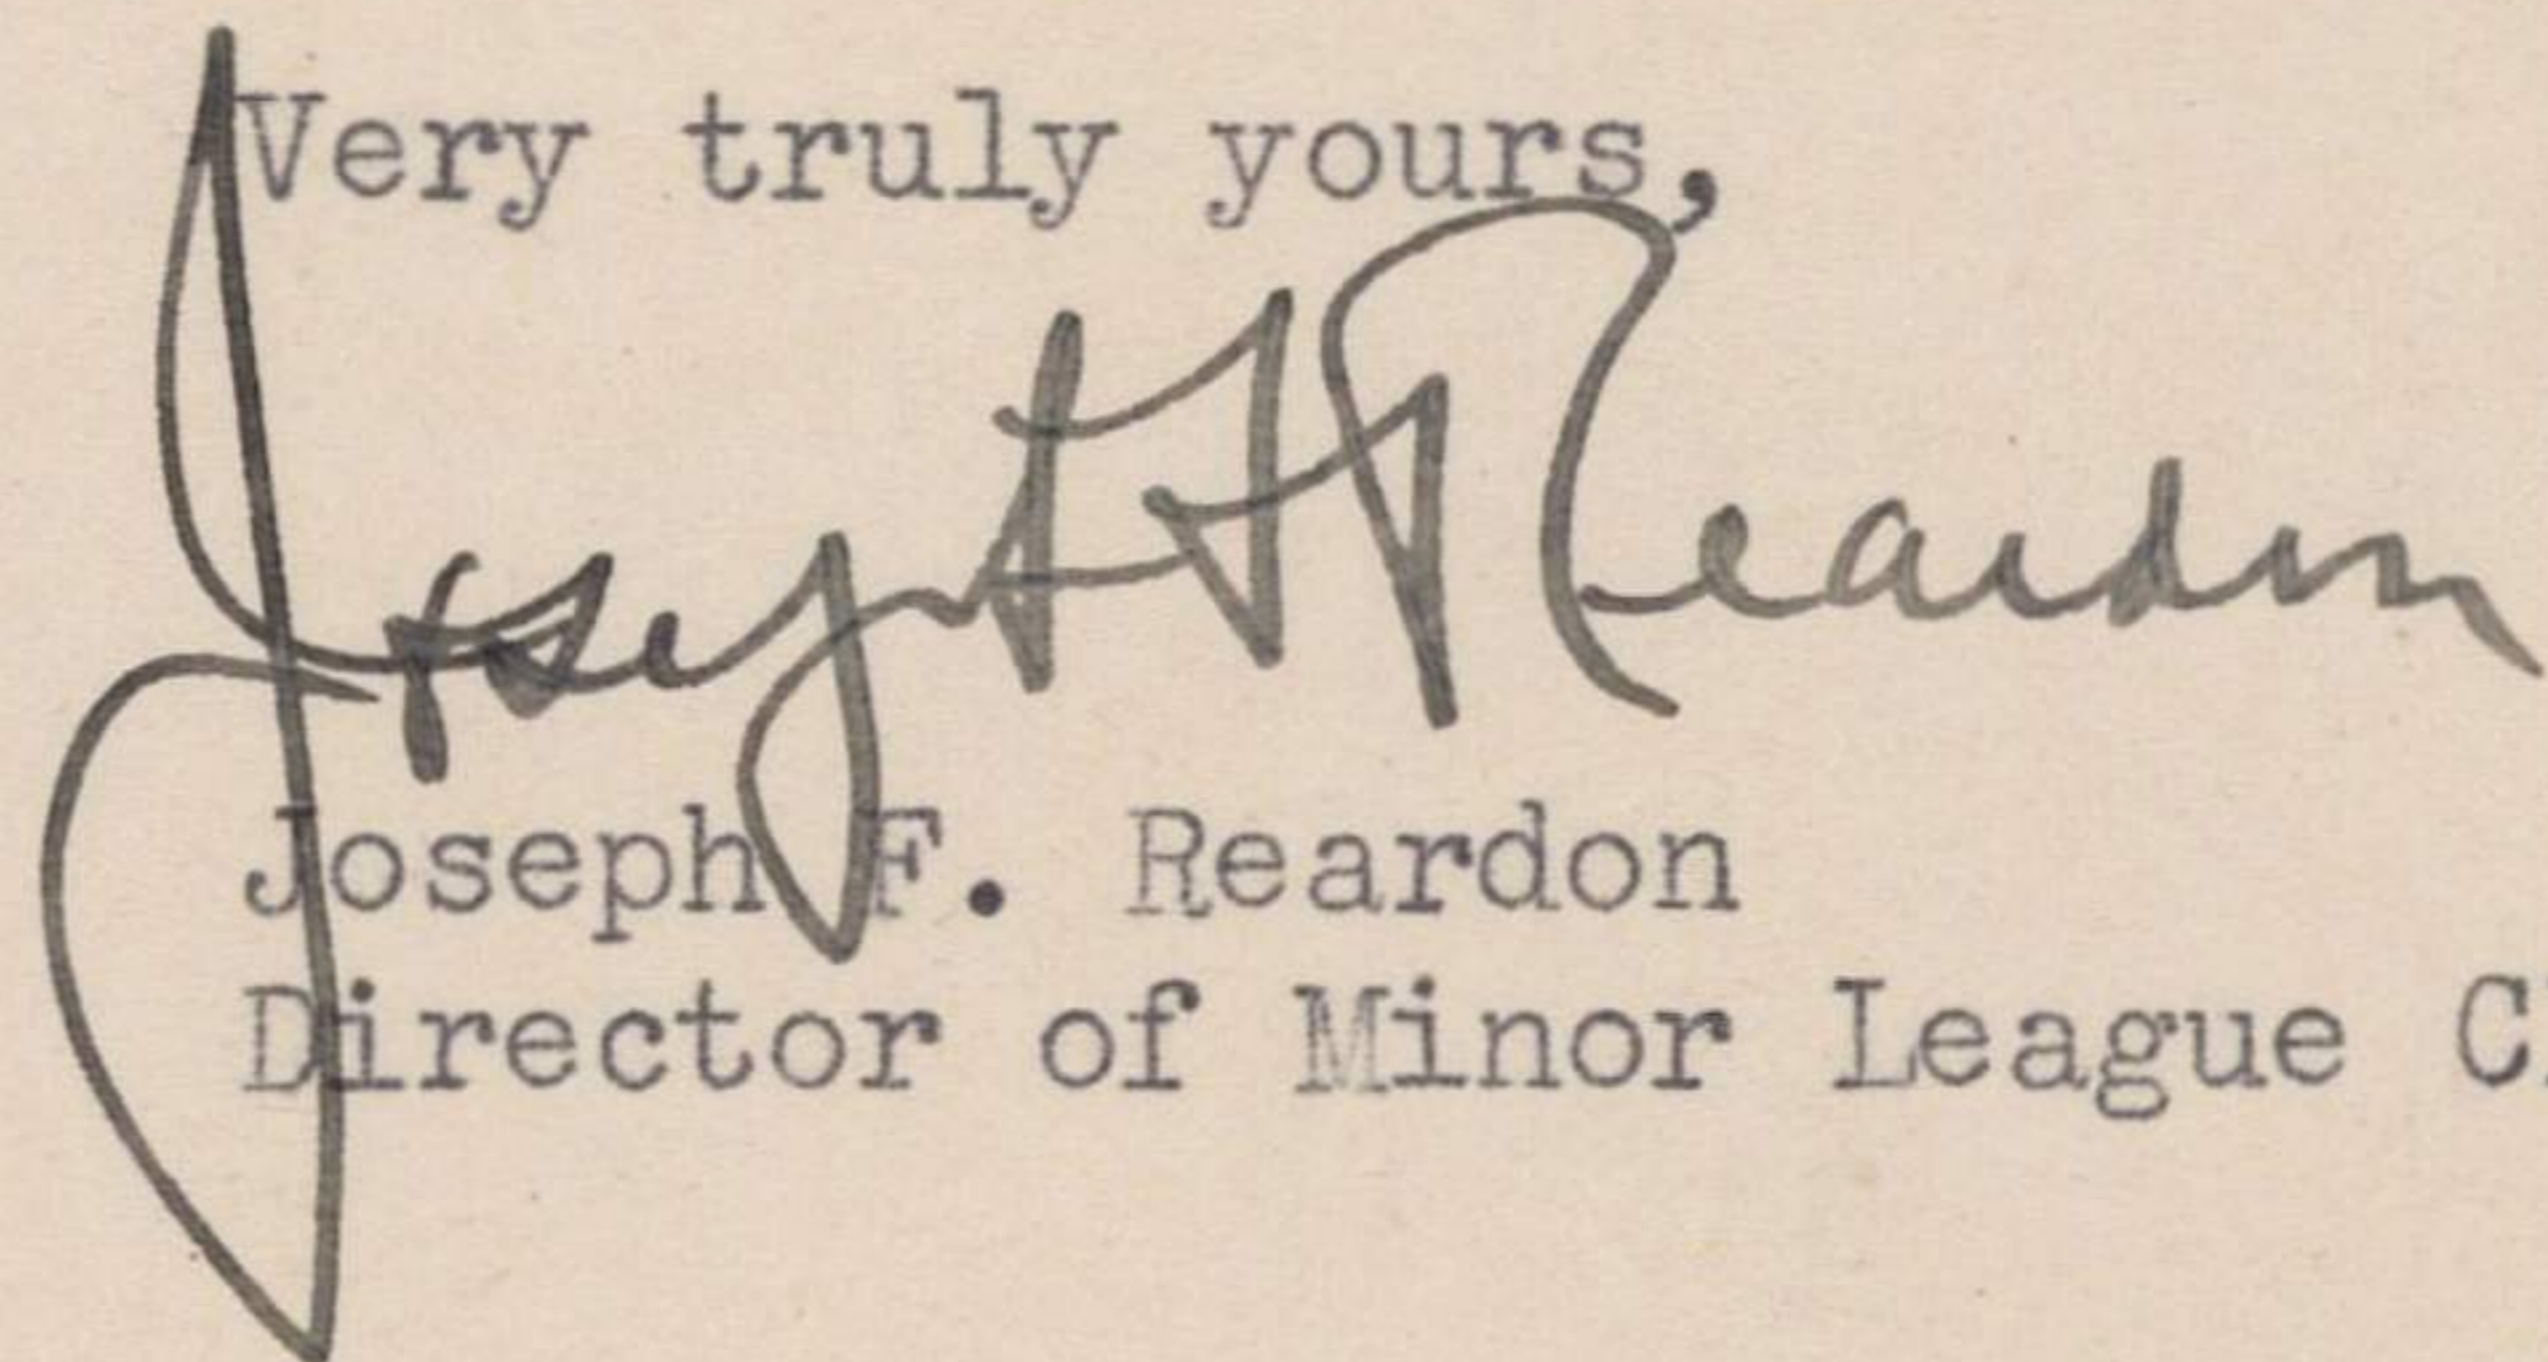

In reply to yours of the 22nd. If it would be of interest to you to recommend players in and around that territory for our organization, we would be glad to compensate you in the amount of \$500.00 for the summer months.

Naturally we assume you have a number of contacts in local high schools and these coaches would readily recommend boys to you. On the other hand if this is not satisfactory we will pay you on the basis of \$100.00 for each player recommended that remains in our organization thirty days.

I will be pleased to hear from you by return mail on this arrangement.

Kindest regards.

Very truly yours,

Joseph F. Reardon  
Director of Minor League Clubs
