Dear Brothers:

To our group of 1,000 key alumni of Phi Kappa Psi I am sending herewith a copy of a report made by Brother Dab Williams upon alumni activity.

Fortunately, alumni of many other chapters are carrying on like those at Syracuse and meeting with similar success. This accounts for the continued strong position of our Fraternity. Will you do all you can to see to it that the alumni of your chapter are giving it similar backing?

Very fraternally yours,

President.

EXECUTIVE COUNCIL OF PHI KAPPA PSI FRATERNITY

DATE November 22, 1943

OFFICE OF The Secretary

SUBJECT Wartime Contributions of Phi Psi Alumni

MEMORANDUM FOR Mr. Harry S. Gorgas, President.

Dear Harry:

I attended and took part in an initiation ceremony and banquet at Syracuse, N.Y., last Friday. You will be interested in learning that the undergraduate chapter, since the close of school last spring, consisted of one member, August Jankowski, a blind boy, who was initiated the early part of this year.

Thanks to the activities of a wonderful group of alumni in Syracuse, eight pledges were accounted for and all were initiated. We cannot give the alumni at Syracuse too much credit for the way they have carried on. Some chapters at Syracuse are just about out of business, and nothing is being done to put them back on the map. Our alumni rushed just about the same as when they were in school. They met at the homes of members, had a dinner or two at Hotel Syracuse, and I must say accounted for eight fine pledges.

The initiation was held at the home of Edward F. Beadel, who was rush chairman. A third floor living room, which has the appearance of a small chapel, was used. Alumni acted as officers with Beadel serving as G.P., Carroll Van Denburg as V.G.P., Ray Holswarth as guide, and I as chaplain, and with perhaps six or eight other alumni on hand as members. The initiation started at 5:00 o'clock and lasted until almost 7:30. We adjourned to Hotel Syracuse for a banquet. John Bachman, who with Carroll Van Denburg act as chapter advisors, was toastmaster. John gave a financial report which indicated that the chapter has a surplus of \$1,600 on hand at the moment, which certainly speaks well of operations through almost eleven months of this year. All debts are paid.

Talks were made by Beadel, Jankowski, Bob Cross, one of the initiates who is entering the Army next week, and myself. Between forty and fifty were on hand, and I think everyone was very much impressed. Several initiates told me they were greatly impressed by the activities of the alumni.

Very fraternally yours,

Dab

Dear Don:

Mrs. Allen and I acknowledge with thanks your and Vivian's Christmas and New Years greeting. It is very thoughtful indeed of you and I feel that we owe you a definite apology for not being able to attend your wedding.

It just happened that we had the boys back for a few days varsity practice and since we have had so many cripples and the absenteeism has been so astounding, I felt I simply could not get away. Bob and Mit both wanted to come but they both helped me with the team and I needed it.

I am dropping you this line to tell you that we expect to get you something that you are in need of when you get settled. Are you keeping house, or are you boarding? In the not too distant future we will ascertain the needed item.

Congratulations on your new job, or your near new job. We understand that you are in line for the sports editorship and we wish you the very best of luck and success.

Wishing you a long, happy and successful wedded life, I am

Very sincerely yours,

Director of Physical Education,

Dear Brothers:

It is estimated that 4,300 members of Phi Kappa Psi are now in the armed services. You will realize this means that 90 per cent of the personnel of our active chapters have left the campus. In fact, those 4300 Brothers in service represent about 25 per cent of our living members.

However, it is the aim of the remaining 10 per cent of our undergraduates on the campuses and of the officers of the Fraternity to carry on our chapters, maintain their organizations, preserve their chapter house properties and put Phi Kappa Psi in a position of greater strength than ever when the war is over.

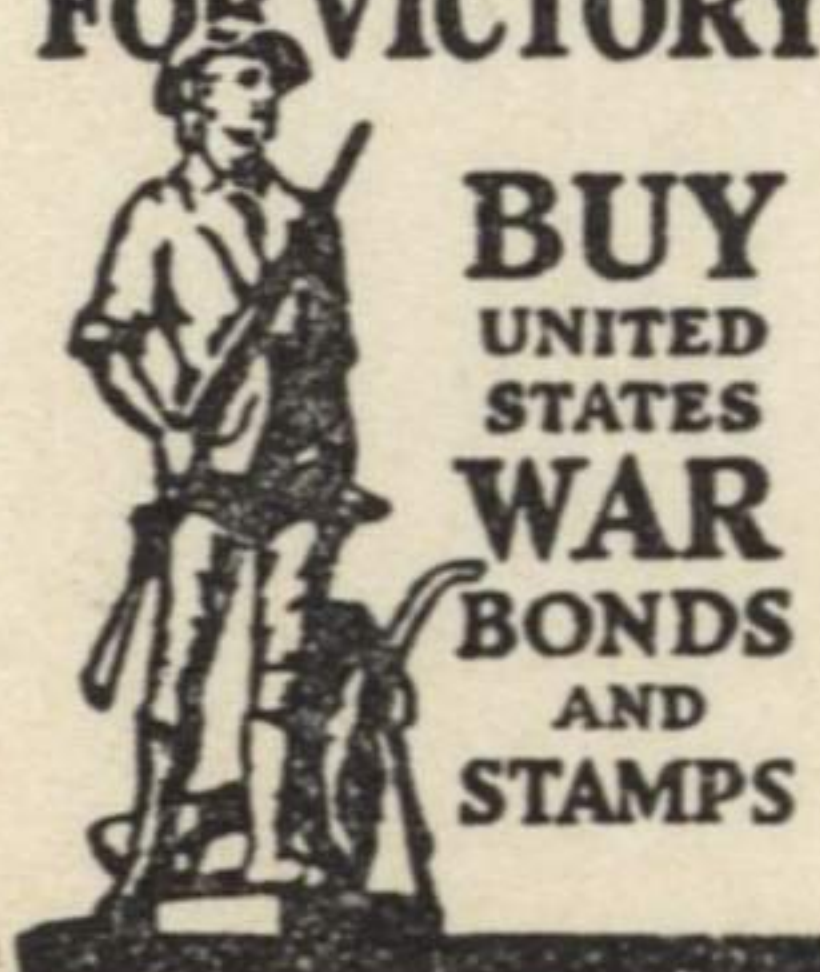

In this emergency we have to depend more than ever upon our active and interested alumni Brothers. By emergency legislation passed at the Des Moines Grand Arch Council, it has been possible to appoint alumni committees to function as active chapters with all necessary authority to hold chapter meetings, to pledge and to initiate. Such alumni groups are actively functioning at Minnesota Beta, New York Beta, West Virginia Alpha, Virginia Alpha and Pennsylvania Iota. We urge the formation of more similar committees to help and cooperate with remaining undergraduates on the campus.

You have been placed upon a list of about 1,000 key alumni of Phi Kappa Psi. It is our aim to regularly furnish you with information as to the development of the existing emergency situation in our chapters, to keep you informed as to the actions taken by the officers of the Fraternity, and to urgently request your aid in working with and helping your own active chapter. We have a great obligation to return our chapters to the boys in service in the same strong condition that they were in when they left the campus for the greater work ahead of them.

Fraternally yours,

President.

REPORT ON CHAPTER HOUSE ASSOCIATIONS
September 23, 1943

N.H.ALPHA - No recent report. Does not appear that fraternity houses will be used by the military. Report dated January, 1943, stated that no difficulty would be experienced financially for about a year and a half.

MASS. ALPHA- No recent report. Reported January, 1943, that house was occupied by Navy, under a fraternity pooling deal operated by Fraternity Business Management for the duration. They will receive enough from pooling to take care of interest on mortgage. Mortgage held by college which has waived amortization payments for duration.

R.I. ALPHA - University has leased all fraternity houses for civilian students as Navy is using dormitories. University pays interest on mortgage, taxes, water bill, insurance premiums, and repairs up to two per cent of assessed valuation.

NEW YORK ALPHA - Report August 2nd says that house has been leased to University for co-ed accommodations, at rental of \$2,320.00 per quarter, representing 4 per cent of insurable value of \$58,000.00. University assumes taxes, but house association maintains insurance and interest payments.

NEW YORK BETA - Report August 24th says that house has been leased to school for housing of soldiers. Rental \$300.00 per month. School also pays cost of storing furniture, and all costs of operation. House association pays taxes, insurance and interest payments. They will be able to meet mortgage payments also from rent received.

NEW YORK GAMMA - Report September 7th. Dormitories at Columbia occupied to great extent by Navy trainees, and consequently, more civilian students are living in fraternity houses. House Corporation at present has all obligations taken care of, but its ability to take care of these obligations in the future will depend upon the continued operation of the Chapter.

NEW YORK EPSILON - No recent report. House occupied by the Marines, with Chapter room still available for meeting purposes. Presumably rent received will take care of mortgage obligations.

PENNA. GAMMA - The chapter house is closed. Although it can be rented to the college, if necessary, House Association can carry fixed charges, taxes, insurance, etc., for several years.

PENNA. EPSILON - Report September 9th. Chapter house used as Infirmary. Rental \$1,800.00 per year. College pays all interior upkeep. Chapter pays insurance and exterior repairs. Debt on house has been reduced from \$2,900.00 to \$1,800.00 in past few months.

Chapter still intact. Expect to pledge and initiate this fall. They have Miller Hall for a meeting place. Local alumni will assist Chapter during the emergency.

PENNA ZETA - Report dated August 16th. House being used as a non-commissioned officers club. Rental \$175.00 per month with heat, electricity and care of lawn included. Rental is same amount as Chapter has been paying in the past.

Chapter still functioning. Pledged two of the three men on campus who joined a fraternity this summer.

PENNA. ETA - Report August 12th. House has been taken over by Navy on a satisfactory basis.

PENNA. THETA - Report August 25th. House has been taken over by the College as a dormitory for civilian students. Two Theta boys staying in house. House Association should be in good financial condition at end of war. College has provided rooms for fraternities.

PENNA. IOTA - No recent report. House has no mortgage, and it is apparently occupied by some members of Chapter together with some others. (See footnote - Page 5).

PENNA. KAPPA - House on college property and there is no mortgage. Title to the house and property held by college.

VIRGINIA ALPHA - House not presently occupied by Chapter. Mortgage holder is trying to rent house for the Chapter.

VIRGINIA BETA - House being used by University to take care of small number of civilian freshmen expected this fall. Should provide enough money to take care of interest, taxes, insurance and perhaps repairs. University holds mortgage and will not require principal payments until after war.

N. C. ALPHA - Does not occupy house.

PENNA. ALPHA - No recent report. Understand that house is rented to others. Mortgage is only \$2,300.00.

PENNA. BETA - No mortgage on house. House has been turned over to College which will operate some of fraternity houses and will pay fixed charges on all whether occupied or not. Report dated August 25th.

PENNA. LAMBDA - Report June 15th. House rented to Army. Rental not specified. They expect to pay off 1st mortgage of \$2,000.00 out of rental received. Members hold the second mortgage. They will apparently emerge from the war in splendid condition.

W. VA. ALPHA - House corporation has leased old Phi Psi house to a government agency for a sufficient rental to take care of interest on \$29,000.00 mortgage, pay taxes and insurance, and make a sufficient profit to assure continued occupancy of new house by Chapter even if membership drops to four or five members. Three houses on campus have been occupied by military but no effort is being made to rent the Phi Psi house. Principal payments discontinued for duration.

Chapter still operating. With two members in the house this summer, they pledged and initiated six, and during recent rushing season picked up 15 more pledges. House is nearly full including a few non-fraternity men. Chapter is operating dining room.

OHIO ALPHA - House rented to University for Navy boys. Association will receive 4 per cent of valuation, etc., which amounts to approximately \$35,000.00. University will also pay taxes and utilities. Mortgage is low and partially held by alumni.

OHIO BETA - Report September 7th. House leased to College as dormitory and dining hall for Army unit at \$500.00 per month. University completely modernized the kitchen and dining hall. House corporation will be well fixed to maintain payments on their mortgage.

OHIO DELTA - Report September 6th. House rented to University at \$5,000.00 per year, on a month to month basis. Library and Chapter Room (in separate building) reserved for Chapter use. House corporation has been in good financial condition.

Chapter expects to remain active.

OHIO EPSILON - House Corporation is in splendid condition with small mortgage of only \$800.00. House still operating on a more or less normal basis.

MICHIGAN ALPHA - Report August 7th. House rented to University for use of civilian male students. Rental of \$270.00 per month for 12 months. Leases carry a re-conditioning clause. This rental agreement will enable house corporations to take care of its obligations.

INDIANA ALPHA - Report August 13th. House leased to University at \$150.00 per month or 10 months. University assumes operating expenses including insurance, taxes, if assessed, and allows lessor to use certain parts of house for storage. Splendid financial condition.

INDIANA BETA - Report August 26th. House has no mortgage and corporation has surplus of about \$10,000.00. House taken over by University which pays about \$3,700.00 per year, and also pays operation costs.

Chapter is active and will pledge limited number of men.

INDIANA DELTA - Report September 1st. House leased to University on a standard 4 per cent valuation basis, which will enable them to take care of their mortgage obligations.

Chapter active and living at Kappa Sigma House. They are rushing.

ILLINOIS ALPHA - No recent report, but house is occupied by Navy and presumably on a satisfactory basis. Report of January, 1943, stated that funds were on hand to pay off half of \$10,000.00 mortgage if necessary, and that payments had already been made many years in advance of due date.

ILLINOIS BETA - House rented to University on a basis which will enable the house association to take care of its obligations.

ILLINOIS DELTA - Report August 25th. House taken over by Army, June 16th. Rental will be in neighborhood of \$400.00 per month, which will enable them to take care of their mortgage obligations.

TENN. DELTA - House has no mortgage. Presently occupied by about two members plus a few outsiders.

MISS. ALPHA - No information.

WISCONSIN GAMMA - Report August 25th. Have been trying to rent house for an officers club, but have not as yet. Mortgage is \$1,800.00, and further reductions of principal are not necessary for duration.

MINN. BETA - House being used as Naval barracks. University pays 4 per cent^{on}/valuation, plus taxes and insurance, and expects to expend 25 per cent of valuation of furniture per year.

IOWA ALPHA - House leased to University at \$2,750.00 per year for living quarters only. University pays taxes, insurance, and makes repairs and improvements.

IOWA BETA - Report August 12th. House taken over by University. Terms not yet announced, but no doubt will be on standard 4 per cent valuation basis, which will enable house corporation to take care of all mortgage obligations. Mortgage is over 50 per cent held by alumni of Chapter..

MISSOURI ALPHA - Report August. House rented to University. Corporation received about \$300.00 monthly, and Corporation pays expenses. This will permit a \$1,500.00 reduction in principal and leave about \$600.00 yearly for repairs.

TEXAS ALPHA - Report dated September 9th. House still occupied by the Chapter and they expect to continue occupation for the time being. House corporation is in process of raising money to pay off mortgage of approximately \$6,000.00. Over half of this money is on hand now.

KANSAS ALPHA - House rented to University for Navy use. Lease on regular 4 per cent basis. University pays taxes and insurance. House corporation in splendid shape. They have \$7,900.00 in cash as a reserve fund.

NEBRASKA ALPHA - Report September 13th. House corporation has sufficient funds on hand to pay fixed charges for $2\frac{1}{2}$ years. They expect to keep the house open this fall for members, and possibly some others.

Fraternalities at Nebraska, after deciding to close down for the duration, have reconsidered and now practically all of them will continue to operate and rush this fall.

OKLAHOMA ALPHA - Report July 15th. House leased to University, June 10th, for use of Army. Rental \$300.00 per month. University will pay operating expense except insurance. House corporation will be in good shape to take care of its mortgage obligations.

COLORADO ALPHA - Has no house.

WASHINGTON ALPHA - House leased to Army last spring. Rental calls for \$20.00 per month per man. Rental will allow them to pay for the equipment they bought in about four months. Contract will be re-negotiated at end of first year. House corporation should be in splendid shape at end of war.

OREGON ALPHA - House rented to Sacred Heart Hospital at \$275.00 per month for one year. This will take care of full obligations under the mortgage including taxes and insurance. Report August 19th.

Letter September 2nd advises that chapter is apparently continuing on an active basis.

CALIF. BETA - No recent report, but apparently all fraternity houses are at disposal of University on a pool basis, at about \$10.00 per month per man.

CALIF. GAMMA - Report August 29th. House unoccupied. University expected to rent house for use of Army in September. Bresee-Warner System reports that by September 8th, 50 Army men will be in house. House corporation should have no trouble as there is no mortgage on house.

Allen Emery reports September 17th that apparently alumni are making an effort to keep chapter alive.

CALIF. DELTA - No mortgage on house and house corporation has about \$40,000.00 invested in securities.

CALIF. EPSILON - No report. House corporation has mortgage of \$8,857.00.

For those chapters whose houses are rented and where the income from the rental is needed to take care of mortgage obligations, the matter of rent insurance is suggested for consideration. In case the house is destroyed by fire, this insurance will pay the rent during the period of reconstruction.

Harlan B. Selby,
Vice President.

Note: In October, the Pennsylvania Iota house was leased by the University for occupancy by Army trainees at what is understood to be the usual terms.

The Shield for November, 1943, will offer brief information about the activities of each chapter.

Dear Doc:

Thank you for your good letter of December 11. The folks down here are still talking about your address at the football banquet, and I again thank you personally for accepting this invitation.

We saw Ed a week ago Saturday, and we spent most of the time telling him about the Allen family. You certainly have a strong and loyal supporter in the Ellet family.

Zelda joins me in sending you best wishes for a most successful 1944, and may you have a most happy Christmas season.

I have just conferred with Mr. Henry Shenk, our foot-

Dear Don and Alice:

I want you to know how wonderful your hospitality was Thanksgiving Day. I really had a splendid time and the memory will live long as one enjoys the wonderful comforts of the Peete home. The fact that you let me take a nap shows the type of people you are. And I really needed it!

And that meal was everything to be desired. The visit was tops, and "Junior Miss" was quite true to life.

I am sending you a copy of Bob's paper, Etiology of Dissecting Aneurism. I read it with interest and I know he would want you to criticize it. When you have finished with it if you will mail it back it will be here in time for Mrs. Allen to look over by December 6th.

I am not insisting that you come to either one of our games on the 1st and 4th of December, because I know how the gasoline rationing is, but we will be delighted to see you if you can come.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Mrs. R. B. Perry,
Colonial Apartments,
Salina, Kansas.

Dear Mrs. Perry:

I have checked up with Julius Marks, the jeweler, and he says that he does have watches and he will sell one. You wanted one for Isabel. Do you want to write him? If you do, his address is 817 Massachusetts Street. Or, will you be here before Christmas? At any rate, I would drop him a line to tell him that you are interested and he will be glad to take care of your wants, although he does not have them for sale to the general public.

If you would like to let me know what you want I will be glad to take care of it for you.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Dr. and Mrs. Don Carlos Peete,
4140 Cambridge,
Kansas City, Kansas.

Dear Don and Alice:

The gloves were not upstairs - they were right down in the living room on the table by the tall lamp. I am also sending your sun glasses back. If our lamps had been good Don and I could have found them but when the search was instituted for the effects upstairs that is the thing that threw us off. As soon as you had left I discovered them on the quartet table.

I am sending them so the sun won't bother you on your way down Saturday. It certainly was a great pleasure to have the Peete family and we are looking for the re-Peetes Saturday. Am in a rush, so please excuse the hasty note.

Cordially yours,

FCA:AH

Dear Dr. Allen:

Hurrah for the Kansas Football Team. The victory today was certainly a swell tonic for all Jayhawkers and might be a factor in helping the future of Kansas football.. Not only was the victory over Missouri encouraging, but their play throughout the season was very creditable.

I showed your letter to Tom Cordell and he has now made the following arrangements pending on your approval. He will be in Lawrence Thursday evening and come to your office by 9:30 Friday morning (November 26). We shall consider this appointment definite unless I receive word from you otherwise.

I certainly appreciate this favor you are doing in regard to Cordell. Incidentally, I would like to see this boy become a Jayhawker because he not only is a good athlete but also a good student. He comes from a very nice family and he is the type of boy that should make the University an ideal student.

If I do not receive a letter from you, Tom will leave here Thursday afternoon.

Respectfully,

Nov. 1, 1943.

Dear Friend:

I just finished a note to ^{your} ~~your~~ ^{Peete} on this scratch paper and as it is handy I want you to know we had a grand time Sat. You know our favorite spot in the stadium looked mighty empty until you come. We of course do enjoy the games but most of all we enjoy your company. I hope ^{Peete} is getting a good rest from the big drive before the wedding. We missed her presence and fun very much. I never have half time enough to tell you all I want to. I had a note from Don Partner and Howard Engelman awhile back. I am looking forward to having Bob with us here and all be trading you medical tricks to Bob for Basket Ball tricks for Don in the future - so just expect to stay on the job

young fellow - I keep my rubber for
me - its getting late - Don't forget
that visit you promised,

Thanks for a swell time,

As ever,
Wm & Alice -
