

November 29, 1943.

Dr. and Mrs. Don Carlos Peete,
4140 Cambridge,
Kansas City, Kansas.

Dear Don and Alice:

I want you to know how wonderful your hospitality was Thanksgiving Day. I really had a splendid time and the memory will live long as one enjoys the wonderful comforts of the Peete home. The fact that you let me take a nap shows the type of people you are. And I really needed it!

And that meal was everything to be desired. The visit was tops, and "Junior Miss" was quite true to life.

I am sending you a copy of Bob's paper, Etiology of Dissecting Aneurism. I read it with interest and I know he would want you to criticize it. When you have finished with it if you will mail it back it will be here in time for Mrs. Allen to look over by December 6th.

I am not insisting that you come to either one of our games on the 1st and 4th of December, because I know how the gasoline rationing is, but we will be delighted to see you if you can come.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
