Lawrence, Kansas

Dear Dr. Allen:

Last night it was my privilege to see you win another Big Six championship. Mrs. Beck and I have witnessed all of the home games this year, and we appreciate very much your courtesy in remembering us.

Also, as an alumnus of the University, as well as an official of this state, it is a pleasure for me to commend you for the splendid work you have done in connection with this sport. Not alone have you won championships for the University, but you have given the State of Kansas a place in the basket ball world. A man who can produce champions year after year must have a great deal of ability, and the means of promoting a good organization.

With kind personal regards,

Clarence V. Beck
Attorney General
