

March 15, 1944.

Mrs. Dolph Simons,  
1509 Massachusetts St.,  
Lawrence, Kansas.

Dear Marie:

I hardly know how to begin. You have done such a perfect job and there is nothing that you left undone, that I am afraid I will run out of hyperboles in trying to describe my appreciation for your splendid effort.

Your organization was perfect and you worked indefatigably. I have never known of a job where the women have worked under a leader and have gotten the job done with as little hip-hurray and gusto as they have under you, and yet the job has been so efficiently done that I thank you a thousand times for the fine leadership that you exhibited by heading the Lawrence residential district in the Red Cross War Fund drive.

Of course we will go on to the point where we will give every adult an opportunity to make their special contribution. But I want you to know that your work is greatly appreciated and that Lawrence and Douglas County owe much to such individuals as you.

Very sincerely yours,

Chairman, Douglas County  
War Fund Drive for 1944
