Mrs. Loren Eiseley,  
643 Tennessee Street,  
Lawrence, Kansas.

Dear Mrs. Eiseley:

Consistent with your deep feeling of responsibility in doing a job, I want you to know how very grateful I am in the name of the Red Cross War Fund campaign for the unselfish service that you have rendered.

With Douglas County over the top at the present time, I feel that we owe you much for your fine energy and enthusiasm and loyalty to this great cause. Of course, we will go on to the point where every adult individual will have an opportunity to make a contribution. However, I feel that we should not burden you unduly with your continued presence at the headquarters. Lawrence and Douglas County owe much to such individuals as you.

Very sincerely yours,

FCA:AH

Chairman, Douglas County War Fund Drive.
