Mr. J. W. Murray,  
Lawrence Journal-World,  
Lawrence, Kansas.

Dear Joe:

I read your splendid editorial in Monday's issue of the Journal-World. You were very generous in extending the thanks to all of those splendid workers who did such a fine job for the Douglas County Red Cross War Fund drive.

Only by this fine cooperation on the part of the workers and the generosity of the givers was Douglas County able to make such a splendid showing.

I appreciate your kindly remarks because many of the workers will feel amply repaid by your fine compliment.

Very cordially yours,

FCA:AH

Chairman, Douglas County Red Cross War Fund Drive.
