Miss Betty Jo O'Neal,  
1339 West Campus,  
Lawrence, Kansas.

Dear Miss O'Neal:

High on the list of the splendid workers for the Red Cross War Fund drive for 1944 we place your name. Had it not been for such people as you, the civilian student drive would not have gone over. You did a magnificent job by staying constantly on the work after the fizz of the campaign had gone. The real workers always show themselves at the finish, and you certainly came through with flying colors.

Please accept our gratitude and congratulations for your splendid service.

Very sincerely yours,

FCA:AH

Chairman, Douglas County  
Red Cross War Fund Drive.
