Professor E. W. Lowrance,
Department of Anatomy,
University of Kansas.

Dear Professor Lowrance:

Thank you very much for your fine gesture toward the Red Cross in this community. I understand that you have made your contribution at your home at the University of Nevada, but I want you to know that we appreciate this token contribution.

I do want to visit with you at a very early opportunity and go over incidents concerning our mutual friend, "Doc" Martie. He had a very difficult struggle in getting his education. He has come up the hard way, but he is a fine fellow. He has also had the misfortune to lose his first wife in a tragic way.

It will be a pleasure to meet you at an early opportunity.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
