Dear Fellow Faculty Members:

The great American Mother, the American Red Cross, is appealing to you personally to aid in healing the nation's wounds and in ministering to our sons who are willing to make the supreme sacrifice.

The first week of March, 1943, is the time set by the American Red Cross for their membership and war fund drive. The quota for Douglas County in the last war fund drive in December, 1941, was \$7,000. This year the quota which must be raised is \$17,150, an increase of over ten thousand dollars.

Because of the greatly increased amount of the quota over the last campaign we have appointed an Advance Gifts Committee to do some soliciting before March 1st. This committee is composed of the following: Dean Paul B. Lawson, chairman, Dean D. M. Swarthout, Dean J. J. Jakosky, H. G. Ingham, C. F. Nelson, and Sgt. Wm. Kollender.

To facilitate your giving to this worthy cause I am listing herewith the members of the General Committee for the University: J. W. Twente, T. C. Ryther, A. B. Latimer, Dr. R. I. Canuteson, K. W. Davidson, H. B. Hungerford, C. M. Baker, R. Q. Brewster, J. D. Stranathan, Wealthy Babcock, Lalia Walling, Ruth Kenney, Hallie Harris. The students also are being given an opportunity to make their contributions.

The faculty of the University of Kansas has always given intelligently and responded most generously. I know that you will do your share.

Sincerely,

Chairman.

Commanding Officer,

Dear Commander Buhl:

I have just returned from our northern tour in basketball, and hasten to ask if you will consent to serve as a member of the Advance Gifts Committee in the American Red Cross Campaign.

I feel personally that your support of this very worthy cause, particularly at this time, will aid greatly in the response for contributions.

Very cordially yours,

Director of Physical Education,

Dear Fellow Faculty Members:

After four years of splendid service by Professor E. C. Buehler who has conducted the Red Cross campaigns on the hill, Chairman Shipman Winter has asked me to head up the campaign on Mt. Oread this year.

The first week of March, 1943, is the time set by the American Red Cross for their membership and war fund drive. The quota for Douglas County in the last war fund drive in December, 1941, was \$7,000. This year the quota which must be raised is \$17,150, an increase of over ten thousand dollars.

Organizations as well as individuals are being called upon to give more than ever before. On account of the exigencies of the times and the press of business I have not taken the time to call you over the phone to ask you to assist in this most worthy enterprise. I know that you will do your share, and am writing this letter to the entire group asking you to head up the work in your particular building or organization. Where two individuals are named for the same building we kindly ask that you make your own arrangements for such work as is necessary.

We are planning to write a circular letter to every faculty member and we hope to conduct a mail campaign so far as possible. However, on account of the greatly increased amount of the quota over the last campaign, it may be necessary to do some individual work. We have appointed the following ^{Advisory} Special Gifts Committee to do some advance soliciting: Dean Paul B. Lawson, Dean D. M. Swarthout, Dean J. J. Jakosky, H. G. Ingham, C. F. Nelson, Sgt. Wm. Kollender. We have also asked the presidents of the Men's Student Council, W.S.G.A., Pan-Hellenic Councils, as well as the Jay Janes and the Ku Ku's, to assist with the student drive.

I will appreciate your cooperation in this very worthy cause.

Sincerely yours,

Chairman.

However, I do thank you for your kind words regarding our efforts in the Red Cross drive.

Dr. Allen: For some reason they placed Myers Hall in the residence district and put my wife on this block. But of course the main thing is to get the money into the Red Cross. Mrs. Barr and I gave \$10⁰⁰. If you want to take credit to K.B. for half that in your report, that would seem only fair to me. You're surely doing a good job on Red Cross this year.

Dear Friend:

Those of us who are not in active military service want to feel that we are not mere spectators but active participants in this greatest of human dramas -- the present war. One of the best ways for us to do our part is through the Red Cross which during the first week of March is going to raise a quota of \$17,150 in Douglas County as compared with a quota of \$7,000 in 1941.

The magnificent response of the University staff to the numerous recent calls for time and money have filled us with pride at its generosity and patriotism. We are glad to be the privileged colleagues of such a group.

And so it is not the purpose of the undersigned committee on Special Gifts to urge unduly any member of the University staff to give more than he can and should to the Red Cross. Rather we simply call your attention to the fact that our quota is about two and one-half times its former size and that, therefore, all of us will be helping materially by raising our former contribution in some such proportion. But whatever you give, we know it will be with generosity and gratitude for this opportunity of service.

Will you please send in your pledge or contribution just as soon as possible to the office of Dr. F. C. Allen, Chairman for the K.U. Red Cross Campaign?

Dear Mr. Nichols:

WE ARE AT WAR!

This sudden blow has created a great emergency. The RED CROSS needs your help.

We now have a special American War Relief Demand which is a completely separate project from the recent annual membership drive. The quota for the University Faculty and Employees is \$800.00.

The enclosed check is for your convenience. It may be post-dated. Let us do the job without the nuisance of a personal canvass.

This is our cause! It is our job! Let's get it done Now!

Dear Prof. Russell:

This is a reminder: Have you given to the RED CROSS War Emergency Drive? Many faculty members and employees have cooperated magnificently in this drive and we feel sure that you also want to do your part. We wish to stress again that this call of the RED CROSS is really a call of the country. It is the first time in twenty-three years that we have had this kind of war emergency.

We still have \$200 to raise to reach our goal. This is our job, our cause, and our war. This means all-out aid from the home front as well as from the firing line. According to our records, we have no report from you.

If you haven't already done your bit towards the cause, may we have your contribution now? Help your country and the RED CROSS.

Sincerely yours,

Some payment was made
by Mrs Russell at the house

November 10, 1941.

The annual RED CROSS ROLL CALL is on. In the midst of numerous drives for worthy causes, the call goes out for the RED CROSS, which is perhaps the world's greatest organization for the mobilization of human service for emergency needs. The RED CROSS does not recognize the boundaries of race, creed, or nation. It is always ready to give aid to all types of human disaster where and when it occurs.

The local RED CROSS chapter has again given the University of Kansas permission to carry out its own drive in whatever manner is most convenient to us. The last two years the K. U. RED CROSS DRIVE was successfully conducted without the usual nuisance of door-to-door canvassing. The whole-hearted cooperation of the University faculty and employees made this possible. For this reason, we are using the "honor system" type of drive again.

The plan is very simple. Each faculty member and University employee is asked to do his part by direct response through the campus mails. There will be no personal canvass or call on you. You are asked to write your own ticket. Here's your RED CROSS button, sticker, and membership card, together with a self-addressed envelope and a blank check. Send money or check payable to the Douglas County Red Cross. Fill in the specified amount on the enclosed membership card and keep the card as your receipt. A complete record of all contributions and the names and amounts will be made for the files of the local chapter.

We wish to point out again that the RED CROSS has no connection with the recent Community Chest Drive or any of the current British war relief organizations. This drive is purely for charity purposes. Most of the money for the RED CROSS stays here at home, to be used by the local chapter. In contributions of one dollar, half goes to the local chapter, the other half to the national organization. But all above one dollar goes entirely for local use. Contributions for less than one dollar, without membership privileges, will go to the local chapter.

The days from November 11 to 18 have been set aside for the K. U. Drive. Do your part now. We ask your cooperation.

Sincerely yours,

K. U. RED CROSS COMMITTEE
