Lieut. A. H. Buhl,
Commanding Officer,
Naval Training Station.

Dear Commander Buhl:

I have just returned from our northern tour in basketball, and hasten to ask if you will consent to serve as a member of the Advance Gifts Committee in the American Red Cross Campaign.

I feel personally that your support of this very worthy cause, particularly at this time, will aid greatly in the response for contributions.

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
