

Text of letter read by Corlett Cotton --

The first week of March, 1943, is the time set by the American Red Cross for their membership and war fund drive. The quota for Douglas County in the last war fund drive in December, 1941, was \$7,000. This year the quota which must be raised is \$17,150, an increase of over \$10,000.

Organizations as well as individuals are being called upon to give more than ever before. Will you make a real effort to increase the contribution of your organization this year?
