Rev. Harold G. Barr,
Myers Hall,
Lawrence, Kansas.

Dear Reverend Barr:

Your kindness in writing me March 5th in regard to your Red Cross donation is appreciated. However, since these good people solicited Mrs. Barr we would not want to take the glory of the contribution from them. We will have enough without taking anything from them.

However, I do thank you for your kind words regarding our efforts in the Red Cross drive.

Sincerely yours,
