MYERS HALL

LAWRENCE, KANSAS

March 15, 1943

Dr. Allen: For some reason they placed Myers Hall in the residence district and put my wife on this block. But of course the main thing is to get the money into the Red Cross. Mrs. Barr and I gave \$10⁰⁰. If you want to take credit to K.B. for half that in your report, that would seem only fair to me. You're surely doing a good job on Red Cross this year.
