

THE AMERICAN RED CROSS
DOUGLAS COUNTY CHAPTER
LAWRENCE, KANSAS

December 15, 1941

B2

Dear Mr. Nichols:

WE ARE AT WAR!

This sudden blow has created a great emergency. The RED CROSS needs your help.

We now have a special American War Relief Demand which is a completely separate project from the recent annual membership drive. The quota for the University Faculty and Employees is \$800.00.

The enclosed check is for your convenience. It may be post-dated. Let us do the job without the nuisance of a personal canvass.

This is our cause! It is our job! Let's get it done Now!

Sincerely yours,

E. C. Buehler, Chairman

J. J. Jakosky
