University Faculty and Employees:

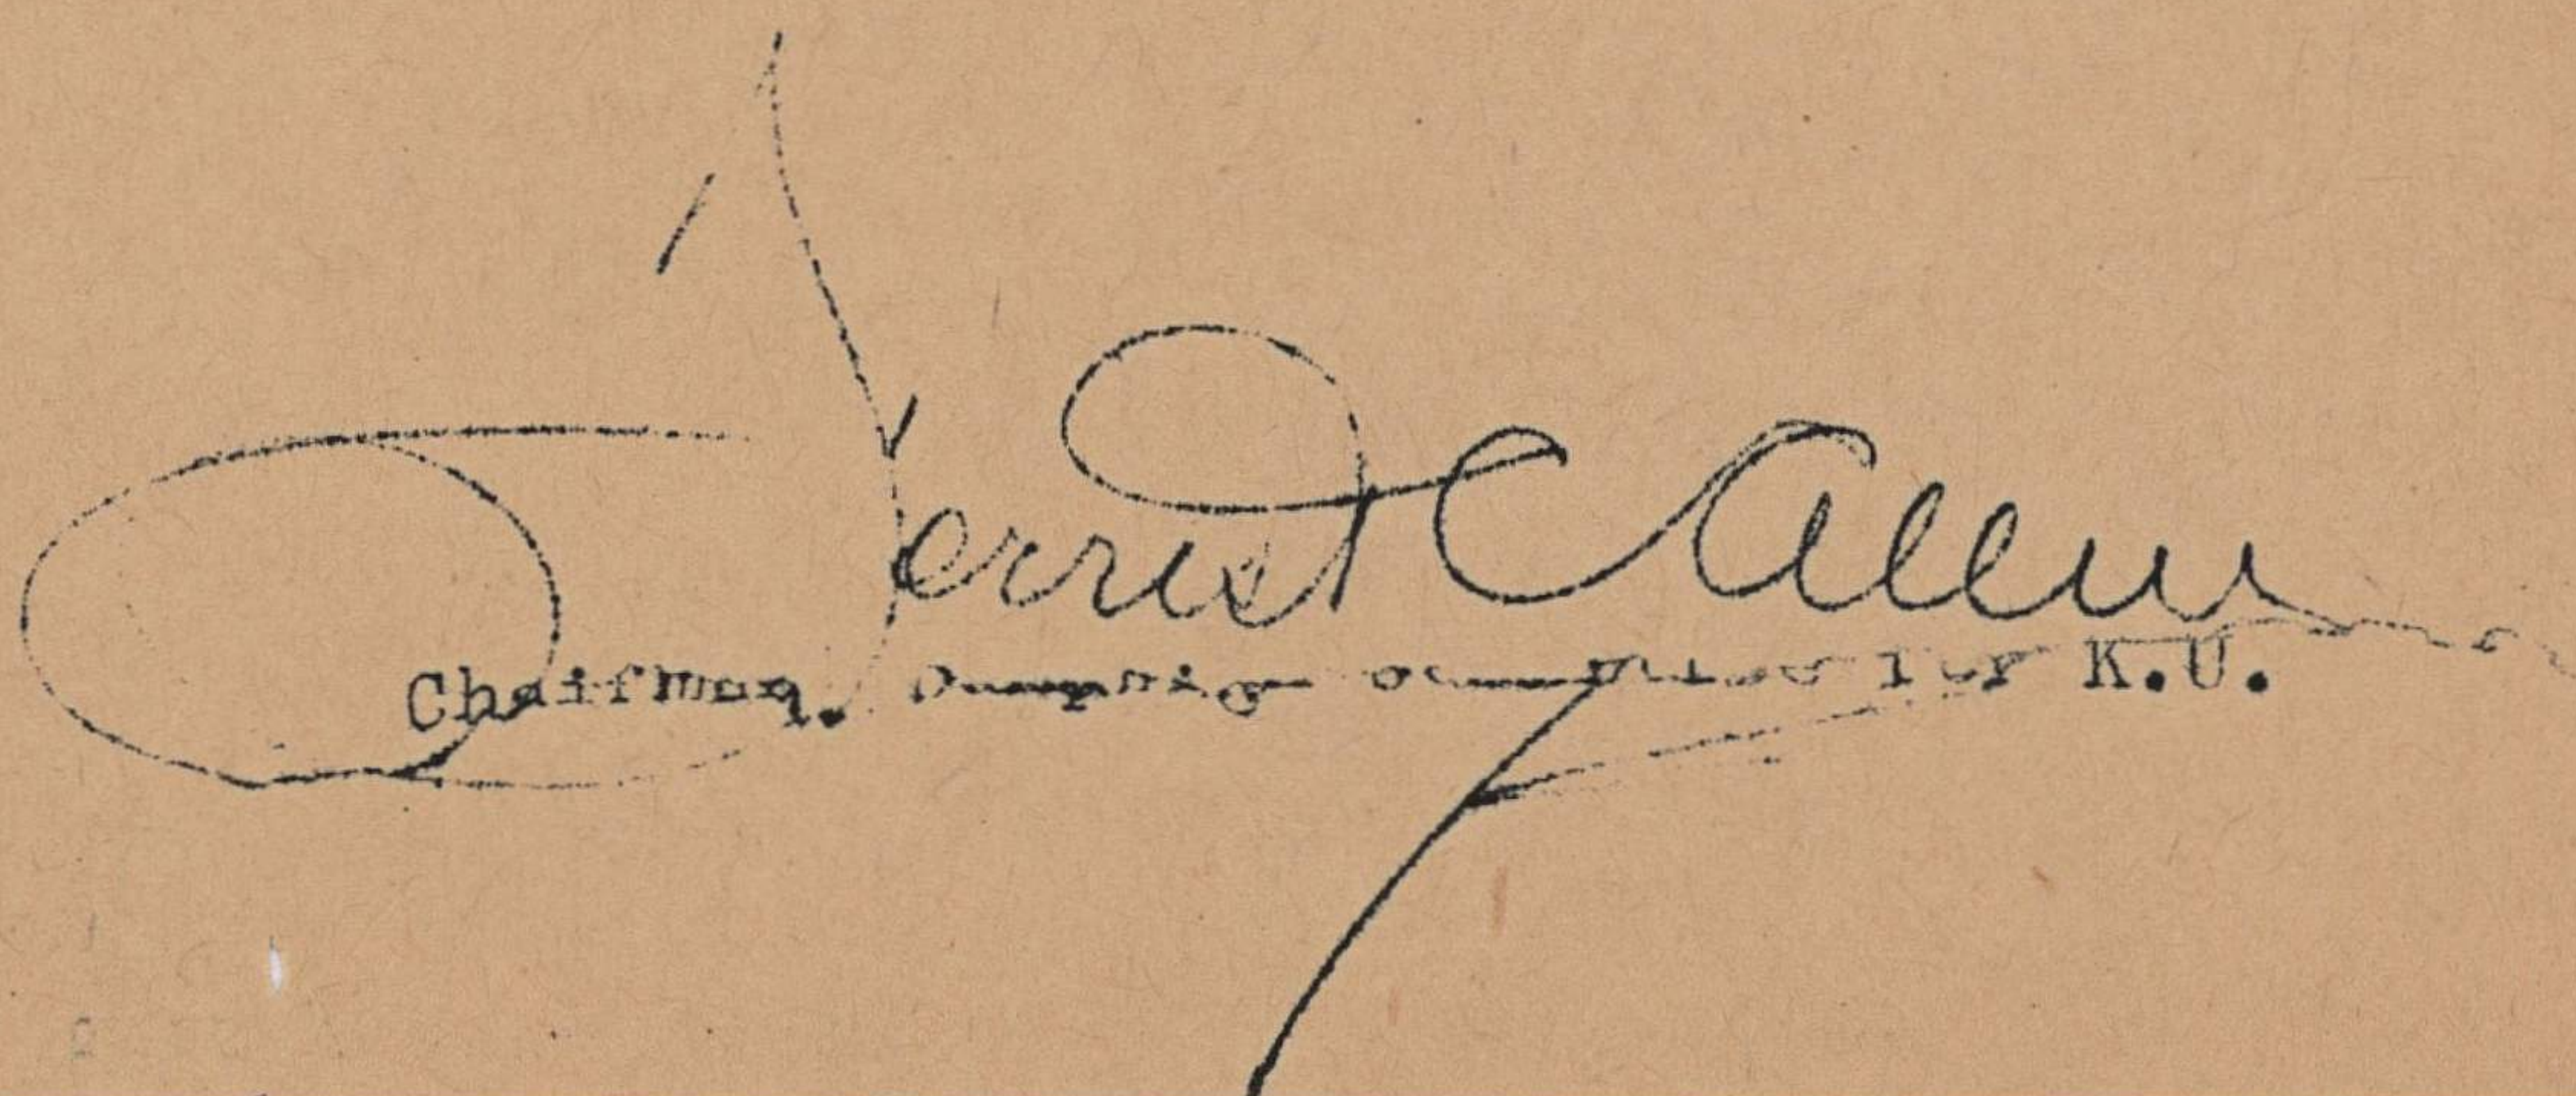

Many faculty members have asked me what would be a reasonable amount to give to the American Red Cross this year. One faculty member stopped me on the street this morning and asked this question. I told him that if he gave \$1.00 in 1941, I thought \$2.00 or \$2.50 would be a fine contribution this year. If you gave \$3.00 in 1941, \$5.00 would be a reasonable amount. Let your conscience be your guide in this opportunity to serve the great American mother - the American Red Cross.

My class in Community Recreation will contact the students. This is being done as a part of their project in Recreation in Mental Therapy and Recreation for the Physically Handicapped.

Your contribution may be given to the persons in your building who have been designated as solicitors, as follows: J. W. Twente, T. C. Ryther, H. B. Latimer, Dr. R. I. Canuteson, K. W. Davidson, H. B. Hungerford, C. M. Baker, R. Q. Brewster, J. D. Stranathan, Wealthy Babcock, Lalia Walling, Ruth Kenney, Hallie Harris. Or, if you desire to have someone see you we will be happy to send some one for your contribution.

I am leaving today with the basketball team for Columbia, Mo., but it is my urgent desire that the University campaign be a great success. The response of the faculty in Advance Gifts to the Red Cross has been excellent, and I predict that we will go over the top.

Very sincerely yours,

  
Chairman, Campaign of Gifts to K.U.
