April 8, 1943.

To the Adolescence Class of Dr. Raymond A. Schwegler.

Dear Class Members:

I desire personally to thank this fine class for making a class contribution to the Red Cross.

The Red Cross ministers to every situation in distress and by your giving you have definitely done a fine, constructive piece of work.

My sincere thanks to you in behalf of this great agency of mercy.

Sincerely yours,

FCA:AH

Chairman, K. U. Committee for  
Red Cross Campaign.

April 8, 1943.

Judge Frank Gray,  
Douglas County Court House,  
Lawrence, Kansas.

Dear Judge Gray:

Dean Schwegler called me the other day and suggested that the Red Cross of this county be a continuing receiving agency. Of all the great agencies of mercy, it is the one most dependagle.

Perhaps the National Council of Red Cross has some definite policies on this, but I am writing you to see if you would take it up with your superiors and see if such a thing is possible. Maybe they feel that it is better to give a rest rather than to have a continuing receiving agency. Of course, if anybody does give to the Red Cross and cares to turn it in to us we always check it in at headquarters, and I imagine that headquarters will continue to receive gifts as long as people give.

However, I did want to send on Dean Schwegler's suggestion for what it is worth, and if you will kindly ascertain the regional district's attitude I will appreciate it.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
