

Alberta Hulteen, secretary of the Department of Physical Education, will be glad to enroll you. Remember - this institute is for those volunteers who are concerned with the recreational needs of your community. If you are handling the recreation of your club, whether it be a service club, Rotary, Kiwanis, Lions, or any of the classification clubs, this conference will serve as a real benefit to you. If you are a field recreation representative of the various community war services, or an agricultural agent of the Farm Bureau, or a home demonstration agent or state club leader, these sessions will be particularly valuable for you. The institute is planned also for business and professional women's clubs, fraternal organizations, Elks, Masons, Odd Fellows, Eagles, Y.W.C.A. and Y.M.C.A. secretaries, youth clubs, Boy Scouts, Girl Scouts, 4-M Clubs, leaders of youth in churches, camp counsellors, Parent-Teacher Associations. Someone in the American Legion could profitably enroll for the benefits of such a course. Certainly community recreation councils and their workers could find much helpful inspiration here. Women's clubs, such as the American Association of University Women, League of Women Voters, Soroptimist, City Clubs, - physical education directors - in fact anyone interested in this type of work cannot ordinarily enroll in such a course for less than \$25.00. The Department of Physical Education at the University of Kansas obtained these recreation specialists for the obvious need of volunteer leaders.

The activities will include creative games - active, quiet and musical games and stunts for crowded places and unusual conditions; conducting activities for ~~fix~~ girls and women,
