Mr. Harry Lewis,  
Perry Packing Company,  
Manhattan, Kansas.

Dear Harry:

As I promised you yesterday at Rotary, I am sending you printed material regarding our Recreation Training Institute. Miss Mary Elsie Border, of Manhattan, wrote me for some information, which we sent to her. I trust that some of your people interested in recreation can attend some of these sessions.

It was a delight to get better acquainted with you.

Rotarily yours,

Director of Physical Education,  
Varsity Basketball Coach.
