

Announcer: How about when we're all tired from dancing, - and these mixers.

What do we do then?

Mrs. Livingston: A quiet game, a brain teaser. For example:

Number of relatives -

Human checkers -

Cook's questionnaire

Announcer: Gee, I've had a good time. If that's a sample of recreation, let's have more in Lawrence. Thank you, Mrs. Livingston.

You have been listening to Mrs. Anne Livingston of the National Recreation Association of New York City, who is here in Lawrence this week conducting training sessions in recreational leadership for all those who are interested. The classes are in Robinson Gymnasium at the University of Kansas, meeting each evening from 7 until 10 p.m., and on Saturday from 10 a.m. to 12 noon, and from 2 to 4 p.m.
