Mr. Eugene Zachman,  
Municipal Auditorium,  
Kansas City, Mo.

Dear Mr. Zachman:

I am enclosing copy of a letter I have just received from Mr. Paul D. Hinkle, of the Great Lakes Training Station, and a copy of my reply to him.

I would like to know what date you think would be best in the way of a drawing card -- Christmas week, between semesters, or when would be the best time to meet them.

We will have a pretty good team and I think it would be a nice chance to make some money, as we will have even more Kansas City boys on the team next year than we have had this year. As soon as I hear from you I will write Mr. Hinkle.

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.
