To Whom It May Concern:

I am very happy to write in behalf of Private Wayne Moynihan, of the 56th Field Evacuation, Leesville, La., who is applying for a commission in officers' training.

In my opinion, Private Moynihan has very desirable qualifications for officer material. He has had five years of experience in teaching and coaching, turning out many splendid teams. He has also been active in Boy Scout work.

Moynihan is a young man of high character, intense loyalty, and intelligence. He is cooperative, capable and courageous. I am very happy to recommend him without reservation.

Very sincerely yours,
