To Whom It May Concern:

I am very happy to recommend Curtis Jenkins, who is a graduate of the University of Kansas in 1939. Jenkins majored in Physical Education, in the School of Education. He is a fine athlete, as is attested by his record in football. He played under our present coach and athletic director, Gwinn Henry, when Henry was coach and athletic director at the University of New Mexico. His years in football at Albuquerque were in 1934, '35, '36.

Jenkins transferred to the University of Kansas in 1937 and played on the varsity football team here in 1938. He was under Lt. Col. Adrian Lindsey, who is now in the armed forces.

I have known Curtis Jenkins for several years, even prior to his enrolling at New Mexico. I was well acquainted with him when he was in high school at Higginsville, Mo.

Jenkins is a thoroughly dependable and intelligent young man. His loyalty is unquestioned and he has the ability to follow commands to the nth degree. He is clean, personable and efficient. I am very happy to recommend him.

Very cordially yours,
