Kansas City, Missouri.

Dear Lieutenant Crosby:

I am very happy to reply to your letter of the 13th instant concerning Miller A. Cameron. I have known Miller Cameron for five or six years and have always found him to be a young man of high character.

He entered the University of Kansas in the fall of 1938, and while here played on the freshman football, basketball and baseball teams. The following year he was a member of the varsity Football squad. He was a fine athlete, observing training rules in an excellent fashion.

Cameron is clean, capable and personable. He has high qualities of leadership and initiative, and knows the meaning of the word loyalty to the nth degree.

I am very glad to commend him to your consideration.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
