To Whom It May Concern:

I am very happy to write in behalf of Allen Nipper, a former student at the University of Kansas. I have known Nipper for about five years, and while here at the University of Kansas he was a member of my freshman basketball team and later on the varsity squad.

Nipper is a fine, clean, intelligent and capable young man. He maintained a high scholastic standing at the University, and at the same time participated in extracurricular activities. Nipper is very dependable, his character is of the highest, and he knows the meaning of the word loyalty.

I am glad to recommend him to you without reservation or evasion.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
