To Whom It May Concern:

It is a pleasure to recommend Mr. Neal M. Wherry who is, as I understand, applying for a commission in the service.

I have known Neal Wherry for over fifteen years, during the time that he was principal at Holton, Kansas, High School, and during his incumbency as principal of the Lawrence Memorial High School here.

He is a man of dynamic energy and many resources. He is intensely interested in civic affairs and has done a valuable and vicarious service in this regard. He is clean, capable and resourceful, and is intensely loyal to his superiors and to this nation.

His large experience has imminently well qualified him to work with men, and his ability to do so is attested by the fact that he is past president and past district governor of Rotary, and at the present time he is serving as a member of the Douglas County Selective Service Board.

I am very happy to recommend him without reservation or evasion. He is a splendid citizen.

Very sincerely yours,
