Mr. James Nixon,
Municipal Auditorium,
Kansas City, Mo.

Dear Jimmy:

I have been so busy with other details here that I have neglected to send you the names of our boys who will want tickets to the game Tuesday night. I am listing them below, but if I don't get a letter to each one of them they will go directly to you and identify themselves.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
