Mr. Henry Iba,
Oklahoma A. & M. College,
Stillwater, Oklahoma.

Dear Henry:

It is up to us to decide whether we want to use either wooden or glass backboards in the Municipal Auditorium Tuesday night. I prefer wooden, and I imagine you do also. If this is not agreeable, let me know.

We are getting a Spalding Lastbilt ball and a Spalding DM laceless stitched ball for our games, so that we can use one ball each half. We can toss to let the winner choose which ball to use for each half.

We have word that Gibbs and Curtis, the two officials, will be there.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
