Miss Mary Learnard,
637 Hobart Street,
Oakland, Calif.

Dear Mary:

Your dad called me last night and asked that I write a letter of recommendation for you so that you could use it as a testimonial. I am very happy to do this, Mary, and if at any time I can be of any assistance to you please feel very free to call upon me.

You have many friends in the Department of Physical Education and we wish for you the very best of success in the most outlying state in the Union. They tell me that some of those people can out-lie anybody in the world! However, I hope that you will not find this to be true.

I asked your father what type of work you are doing but he said it was an office job. Won't you write us and tell us what you are doing and just what success you are having?

With all good wishes, I am

Very sincerely yours,
