

March 13, 1942.

Mr. Henry Iba,
Oklahoma A. & M. College,
Stillwater, Oklahoma.

Dear Henry:

You doubtless received a wire from Jimmy Nixon asking for your team roster and uniform numbers.

We are sending him the numbers for both sets of uniforms, but if you have no objection we will wear the white. If this is not agreeable to you, call me by phone and we will decide on some plan.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
