Mr. Kenneth Spencer

Dear Kenneth,

Congratulations on the Herculean task that you have assumed with the defense industry. I read of you so much and am always pleased that any publicity concerning you is complimentary concerning your organization and administration of your work. May you continue to prosper and work hard for good old U.S.A. at \$1.00 per year.

I just received a letter from Jim Hammer, an old football player here at the University telling me that you have given him a chance at one of your guard jobs. He is very pleased and I hope that he will be successful in every way.

With all good wishes I am

Sincerely yours,
