Mr. George Nettles
First National Bank Building
Pittsburg, Kansas

Dear George,

I have received a letter from one of our old football players, Jim Hammers, stating that he is working under you in the Jayhawk Ordinance Plant in Pittsburg. Jim, you know, is one of the Hammers twins and played a bang-up game of football. If you can show him any courtesy that comes along the line I will, of course, appreciate it. As one football player to another I am sure that he understands that your language is based on efficiency, loyalty and initiative.

I wish you might have been here last Saturday - you would have had the thrill of your life, but on second thought, maybe you were and I failed to see you.

With lots of good luck I am

Sincerely yours,
