Navy Air Corps,
Bryant Building,
Kansas City, Mo.

Dear Sirs:

I am happy to write you in behalf of Dick Edwards, who is applying for entrance into the U. S. Navy Air Corps.

Dick Edwards is a senior at the University of Kansas, majoring in our Department of Physical Education. He has had to work his way through school, and knows the value of the education that he is receiving. Part of his expenses he has been able to earn by employment at the University stadium, and at the present time is working at the Eldridge Hotel in addition to his class work at the University.

Edwards has been one of the outstanding members of the University track team, having lettered in that sport three years. He was captain of the two mile team, and is the most likely candidate for captain of the entire track squad this year.

He has taken the primary course in C.P.T., and is now taking the secondary course.

Dick Edwards is a young man of good character, clean habits, and has a fine personality. He has been very sincere in his desire for an education, and has the high respect of his teachers and his fellow students. I am very glad to recommend him to you without reservation or evasion.

Very sincerely yours,

FCA:AH
