Dear Sirs:

I am very happy to write in behalf of Mr. T. P. Hunter, Jr., a member of my varsity basketball team, and a major in our Department of Physical Education.

T. P. Hunter has been closely connected with athletics all during his school life, and has actively participated in basketball, baseball and track. He has been an outstanding player on my varsity basketball team and is also a pitcher on the baseball team. Since I coach both sports I have had opportunity to observe him closely. He is mature, highly dependable, and one of the cleanest, finest young men that I know. He is a great leader on the campus. I have thought so highly of his ability as a leader and teacher that I put him in charge of my elementary basketball classes last semester.

Mr. Hunter's character is of the highest, he is clean in all his habits, personable and intelligent. I am very glad to recommend him to you without reservation or evasion.

Very sincerely yours,

FCA:AH

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
