Mr. Frank M. Hickey, Principal,  
Senior High School,  
Canon City, Colorado.

Dear Mr. Hickey:

I am very happy to reply to your letter of April 11th concerning the vacancy on your coaching staff.

Mr. Robert W. Raugh, whom you mention as one of the applicants, would make you a very fine coach. He has been here at the University of Kansas during this academic year taking work toward his Master's degree, and assisting in our Department of Physical Education.

He is a fine, clean, wholesome young man. He is well liked by the faculty and students here at the University with whom he comes in contact. I believe you would do well to give his application careful consideration. I am very glad to recommend him to you without reservation.

Very sincerely yours,
