Mrs. Fanita Houts
Warrensburg, Missouri

Dear Mrs. Houts:

Under date of December 21 we wrote you as follows:

"I have an inquiry from our Adviser of Women, Miss Elizabeth Meguiar, regarding Mrs. Ida Foster, 4036 McGee, Kansas City, Missouri. She has applied through the Adviser of Women's office for a position of Housemother in one of the organized groups, and has given my name in her list of references.

"I know so many families of Foster's that I am a little confused regarding Mrs. Ida Foster. I would appreciate your writing me at your convenience, telling me of which family she is a member, and if we were well acquainted with her when we lived in Warrensburg. I am quite sure that we were, but my desire is to render Mrs. Foster the greatest possible good and I must have some additional information before I can do the job satisfactorily."

It may be that the letter never reached you or perhaps it has been misplaced. At any rate, I should appreciate your giving me the information at your earliest convenience since the Adviser of Women is waiting for my recommendation.

With kindest personal regards, I am,

Sincerely yours,

Director of Physical Education and Recreation
