My dear Doctor Allen

Mrs. Ida Foster, 4036 McGee, Kansas City, Missouri, has applied through this office for a position as housemother in one of our organized groups. She has given your name in her list of references.

We shall appreciate a letter from you regarding the qualifications of Mrs. Foster for the position she seeks. Such qualities as good moral character, executive ability, pleasing personality, and social poise, as you know, are indispensable requisites for this occupation.

Thank you very much for your kindness in this matter.

Sincerely yours

Elizabeth Meguiar
