Mrs. Fanita B. Houts
Dean of Women
Central Missouri State Teachers College
Warrensburg, Mo.

Dear Mrs. Houts:

I assure you that your explanation was the most feasible one in the world. I have exactly the same difficulties that you have been undergoing. It is now Saturday afternoon, past two o'clock, but I am about two weeks behind in my correspondence at best. I have Varsity practice at 3:00, and, if I did nothing else but dictate it would take me three or four complete days, so you can see I appreciate your situation.

Regarding Mrs. Oda Foster, I remember her very well now. When you said Port Foster then the whole Foster family came back to me, and I remember clearly the time when they lost their little girl.

I had explained to Miss Meguiar that I was waiting until I got more information before I wrote her regarding Mrs. Foster. Your letter gave me what I desired. Thank you very much.

I will convey your good wishes to the Allen family, and your good wishes are reciprocal.

Sincerely yours,
