Superintendent F. H. Wilson
Fredonia, Kansas

Dear Superintendent Wilson:

I have been asked by Mr. Homer E. Bigham, former coach at Rock Creek, Kansas, to write you regarding his capabilities, his personality and his character. I understand that he is applying for a job at your school.

I have known Mr. Bigham for several years and have always found him a very up-right and outstanding individual. He has been in a number of my classes and I find him responsible, capable, and energetic. He is a very clean young man and would be a fine influence upon young men under his control.

Mr. Bigham had a fine record at the college of Emporia and as a competitor in football, basketball and track. He was captain of the basketball team in his Senior year and was a member of the All-Kansas Honor Football Team.

I am very happy to recommend him without reservation or evasion.

Sincerely yours,

Director of Physical Education and
Recreation-Varsity Basketball and
Baseball Coach.
