Mr. D. A. McConnell  
Superintendent of Schools  
Junction City, Kansas

Dear Mr. McConnell:

I understand that Paul Masoner is applying for a position as coach in your department of Physical Education.

I am very happy to recommend Paul Masoner. He is a fine gentleman, a splendid coach and a definite inspiration to the young men with whom he works.

He has made a very enviable record in Garnet. I have watched his progress with great satisfaction.

As a student and an athlete in the University of Kansas, Paul Masoner was very outstanding. He was clean, capable and resourceful. He had no bad habits and he was an exemplary young man to have on the athletic squads.

I trust that you will give him your serious consideration. I am glad to recommend him without reservation or evasion.

Sincerely yours,

Director of Physical Education  
and Recreation-Varsity Basketball  
and Baseball Coach.
