Dear Mr. Hampton:

Mr. Bob Fitzpatrick, one of our Varsity
basketball players, is desirous of obtaining work
on the Highway this summer.

I would appreciate any consideration that you
might give this worthy young man. He is a good athlete
and a good student.

With appreciation, I am,

Sincerely yours,

Director of Physical Education
and Recreation-Varsity Basketball
and Baseball Coach.

P.S. Dr. Allen had to leave with the baseball team for
Manhattan before this letter was written. He asked that
I sign the same for him.
